APP001	10-Nov-08	<p><b>Question:</b> I am going through the Part 1 application and had a question regarding the guarantor information. If the parent company of a subsidiary will be acting as its guarantor for this RFP, should the subsidiary's credit and financial information be submitted under the Applicant section in 1.5 or should the parent's information be submitted under the Guarantor section in 1.8?</p> <p><b>Answer:</b> The Applicant does not need to submit its credit and financial information under section 1.5 if the applicant's parent company is the Guarantor. In this case, the parent's information should be submitted under section 1.8.</p>
