

Ohio CBP Bid Participation Fee and Starting Bid Prices

Bid Participation Fee - \$1000.00

Minimum Bid Starting Price - \$120 per MWh

Maximum Bid Starting Price - \$150 per MWh

The bid prices identified above are for all 3 products (i.e., 17 month, 29 month, and 41 month). While the CBP Manager does not anticipate the need to adjust these starting prices, if a significant change in energy market conditions occurs, new starting prices will be posted no later than November 28, 2008.
